Applicant visits the EBAss website www.ebass.org
Applicant views requirements for certification "Pathways to certification"
Applicant contacts the Accreditation Committee accreditation@ebassexam.eu
Accreditation Committee confirms applicants EBAss membership status
Applicant provides required evidence; to accreditation@ebassexam.eu
Accreditation contacts the applicant informing them of examination costs and options for payment
On confirmation of payment Accreditation emails the applicant with required access code and login details for the exam
Applicant accesses the exam via EBAss website www.ebassexam.eu/vle inputting their required details and sits the exam
Accreditation then emails the applicant with their result and any guidance necessary
Successful applicants who also provide required evidence of successful completion of the practical requirements will then be issued with EBAss/ECB certification at the appropriate level
