Course application form revision 1 27.04.10

All applications will be considered by the European Baromedical College (ECB) & European Baromedical Association (EBAss) Joint Committee for Approval of Hyperbaric Courses. The Approval of EBAss will verify the content of the courses in respect of the topics described in the EBAss – ECHM Resources Manual for Education. In this case, EBAss will authorise the provider to write “Course approved by EBAss”. Once a course has gained accreditation by ECB, only accepted text may be used as follows: “This course has been accredited by the European Baromedical College (ECB) and European Baromedical Association (EBAss) Joint Committee for Accreditation of Hyperbaric Courses as a course which achieves the objectives as laid down in the EBAss Resource Manual”.
